INVITATION

Dear Sir/Madam,

"We take immense pleasure in inviting you to the State-Level Conference on 27.09.2024, organized by the Department of Computer Science and Applications of Karan Arts and Science College, Tiruvannamalai."

ABOUT THE COLLEGE

The leading enterprising personalities of Tiruvannamalai applied their minds to start an educational institution of excellence, catering to students from socially and economically backward first-generation learners in Tiruvannamalai and adjoining districts such as Yellore, Villupuram, and Cuddalore. They established a trust under the name and style of Saraswati Ammal Educational Trust. The trust deed was executed in Tiruvannamalai in 2017, and the college was subsequently started. It was named Karan Arts and Science College. The newly established college, approved by the Government of Tamil Nadu and affiliated with Thiruvalluvar University, Vellore, began its journey.

VISION:

To provide an excellent higher quality education with leadership qualities, moral values, training and research.

MISSION:

To make better infrastructure facilities and partners through development of trained of trained human resources and enhance the leadership qualities among the youth and promote the patriotism and ethic values.

ABOUT THE DEPARTMENT

The department of computer science was established in the year 2017. The first course offered by our institution was B.Sc. computer science. In 2019 department of B.A was offered by our college. In the year 2020 PG degree M.Sc. computer science was introduced in our college. New courses offered by the department of computer science such as B.Sc., Artificial Intelligence and B.Sc. Data Science in 2024. Our department students strength has 670 of their respective discipline.

Well equipped research laboratories providing substantial support and well experienced faculty member. The department provides a lot of opportunities for students to develop their skill. The students were encouraged, motivated for a variety of jobs ranging from basic to advanced positions in the field of computer. To shine and survive in computer field students must know the others. Our faculty members taught Graphics web designer and code developer. To enhance the student's skill various technical exhibitions and events conducted in the department level.

Experts from different fields are invited to our campus for the welfare of students. The department has created a rich legacy of alumni who have excelled in various fields ranging from academic to project management. It fulfills the requirement of a well designed curriculum.

PAPER FORMAT

1. Title
2. Abstract
3. Introduction
4. Literature Review
5. Methodology
6. Results
7. Discussion
8. Conclusion
9. Reference
10. Appendices(optional)

All submission must be original and free from plagiarism

PAPER PRESENTATION

1. Artificial Intelligence & Machine Learning
2. Cyber Security
3. IOT
4. Big Data & Analytics
5. 5G

GUIDELINES FOR PAPER PRESENTATION

The abstract and paper should be prepared in MS-Word using the following format should be send to karancsbea@gmail.com

IMPORTANT DATE

SUBMISSION OF PAPER: 23 SEPTEMBER 2024

FORMAT

Font: TIMES NEW ROMAN

Font Size: 12 Pts

Alignment: Justified

Line Spacing: Single

Text: Within 250 Words, Un-Bold

Affiliation: Italics

Reference Authors: Max 5 Authors

Paper Format: IEEE Papers

Total PPT slides: 20-25 Slides

Timing: 15 Minutes

Presentation: Members: Two Students only

Best Paper Award

The best paper award (Oral, Poster and Power Point) will be honoured to recognize and promote quality contributions among the participants who will present their papers in the conference.
